Document issued by the Manufacturer: UK Declaration of Conformity

Marking on the Product : 

Date of Review : 25 March 2022

Mahesh Gaur

General Manager -Product Certification & Product Testing Laboratory

(This Statement of Confirmation is valid under the conditions stated overleaf)

CONDITIONS OF ISSUE:

Note: UKCA Marking is generally a Self-Certification Process & Products entering the United Kingdom are subject to the requirements set forth in the UK statutory instruments. It is the responsibility of the person placing the product on the United Kingdom market to ensure compliance with applicable statutory instruments.

This document is issued as a confirmation of the fulfillment of the documentation requirements as called for by the applicable statutory instruments and is based on review/verification of the documents like test reports, compliance documents etc. submitted by the manufacturer. However it has to be understood that the person placing the product on the United Kingdom market has the responsibility and liability to ensure all UKCA marked products comply with the requirements of the applicable statutory instruments.

Each product must be accompanied by the instructions for - Handling, Installation, Operation, Commissioning, Maintenance, Decommissioning, Dismantling, Disposal, etc. of the product/s as specified in the applicable Statutory Instruments.

Each product must bear a distinct indication of the manufacturer or importer and a type designation so that the identity of the tested product with the series product brought on the market can be checked.

VALIDITY:

- This document is valid as long as the rules of technology on which it was based are valid.
- This document will become invalid when it has expired or revoked on revision of any of the Applicable Statutory Instruments
- This document will become invalid if the design of the product is changed.

The place of jurisdiction for all claims arising from the business relationship with respect to entrepreneurs and legal entities under public law is the registered office of our company.
